# WELCOME TO THE WTP OPEN

## Welcome everyone to the World Tavern Poker OPEN 31.

Holy Shi\$...20 years? Are you kidding me?

We are so incredibly grateful to every Player, every Bar Owner, every TD, and every Team Member & Volunteer who has helped us to get to 20 years.

When I started the company back in 2004, so many people around me said "Poker is just a fad" or "You better sell this business fast before poker fizzles out." Well, I am happy to say that they were SO WRONG!

So, what makes World Tavern Poker SO AMAZING? Truly, it is YOU. The friendships we have made over the years are priceless, from across the country and across the world. We aren't just America's #1 Poker League – more importantly, we are America's #1 Poker FAMILY!

But here is the biggest question of the week...can we do it for ANOTHER 20 years?

Thank you all, and lets have an incredible week!

Cheers

Mike Matsinger and the entire Poker Team
